### **Help for non-English speakers**

If you need help to understand this policy, please contact Hampton Park Primary School on 9799 1440

### **Purpose**

Our Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school.

All Hampton Park Primary School staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).

### **Acceptable behaviours**

As Hampton Park Primary School, staff, volunteers, contractors, and any other member of our school community involved in child-connected work, we are responsible for supporting and promoting the safety of children by:

- upholding our Hampton Park Primary School commitment to child safety at all times and adhering to our Child Safety and Wellbeing Policy
- treating students and families in our school community with respect in our school environment and outside our school environment as part of normal social and community activities
